Project 1:
The Old And New
Photo Switcharoo

DESCRIPTION

Students must choose 2 pictures, one vintage, and one new. Using Adobe Photoshop they must make the vintage picture look as if it was a new photo. They also must make the new picture look like a vintage photo.

PROJECT GUIDELINES

- Project must use two photos, one old, and one new.
- I will supply the old pictures to choose from, but if you have a picture you would rather work on, please clear it with me first.
- Vintage photo must start out as a black and white photo.
- Both of these images must be turned into me as a .PSD with ALL LAYERS intact.

GOALS - VINTAGE TO NEW

- You must remove all dust and scratches in the image
- You must colorize the image (method is up to you)
- If the image is vignetted or faded on the sides, the image will be cropped to remove faulty area.

GOALS - NEW TO VINTAGE

- Must use a contemporary image
- Image must start out as a color image and be turned black and white.
- Must use techniques for making the image look old (add scratches, blur the image, etc.

GRADING CRITERIA

- Project must be turned into me at the BEGINNING OF CLASS.
- Project should be named LASTNAME_OldPhoto.psd and LASTNAME_NewPhoto.psd
- You must include the original images as a layer in your photoshop file.
- Be prepared to present your work in front of the class, and answer questions by me and your peers.
